

WU Jinming Assignment 1(Milestone 0) Submission

Student ID: 20346694 ITSC: jwuau@connect.ust.hk

GitHub Address: <https://github.com/patrick330602/Line-chatbot-for-COMP3111>

Screenshot of Database

A terminal window showing a Heroku PostgreSQL database connection. The prompt is `comp3111-lab-pk::DATABASE=>`. The user enters `SELECT * FROM chatbot;`. The output shows a table with two columns: `keyword` and `response`. The data is as follows:

keyword	response
abc	def
Hi	Hey, how things going?
I am fine	Great!
Who is Prof Kim	Well, this is your instructor.
How is the grade of this course?	This is absolute good grade for good student. And I am sure you are!
